SUBJECT INDEX FOR VOLUME 28

Acetaminophen, for fulminant herpes hepatitis, 386
Achalasia
long-term outcome of, 125
treatment of, 202
Acyclovir, for fulminant herpes hepatitis, 386
Adenocarcinoma
early, treated by wedge resection, 67
of ileostomy, 372
Adenomatous polyposis, familial, 372
AIDS, esophageal stricture from ulcers in (brief report), 260
Alexander the Great, perforated peptic ulcer in (letter), 279
Allergic reactions, to 6-mercaptopurine during inflammatory bowel disease treatment, 341
Alpha-fetoprotein, gallbladder carcinoma producing, 155
Ambulatory 24-hour esophageal pH monitoring, symptom improvement in noncardiac chest pain with, 36
Amyloidosis, cholestatic jaundice with, 162
Anemia. *See* Hemolytic anemia
Anesthesia, esophageal rupture after, 360
Angiography, for leiomyosarcoma of greater omentum, 167
Antibiotics, for phlegmonous gastritis, 175
Anticholinergics, for achalasia, 202
Antidepressants, for diffuse esophageal spasm, 228
Appendicitis
acute, after barium enema examination (letter), 280
postcolonoscopy (brief report), 255
Ascites, in hepatic cirrhosis, 159
Athletes, sliding hiatal hernia in, 352
Atrium, severe hepatitis and, 52
Autoimmune pancreatitis, presentation of, 364

Balart, Luis A., biography of, 91
Balloon dilatation
for achalasia, 202
of peptic pyloroduodenal strictures, 33
Barium enema examination, acute appendicitis after (letter), 280
Barogenic injury, after regional anesthesia, 360
Beta-adrenergic agonists, for achalasia, 202
Bile ducts
adult type IV congenital cysts of, acute pancreatitis in, 70
obstruction of with autoimmune pancreatitis, 364
stones in, endoscopic and surgical approach to, 198
Biliary pancreatitis, endoscopic intervention for, 97
Biliary tract
disease of, endoscopic and surgical integration in approach to, 198
obstruction of, with mycosis fungoides, 56
Biography
George B. Rankin, 1
Luis A. Balart, 91
Blood transfusion, factors predicting progression of hepatitis C virus associated with, 148
Bloom's syndrome, dysplasia-adenoma-carcinoma with ulcerative colitis in, 380
Blue rubber bleb nevus syndrome, endosonography for, 262

ethnic variations in, 135
Helicobacter pylori eradication and (letter), 178
node-positive, 140
ileostomy, 372
pancreatic, 364
sigmoid colon with liver metastasis (letter), 278
Carcinoma
early distal duodenum, treated by wedge resection, 67
in villous adenoma of ascending colon, 377
Cardiac cancer, ethnic variations in occurrence of, 135
Cardiac tamponade, pancreatic carcinoma and, 271
Cardiomyotomy, for achalasia, 202
Cardiopathy, Chagasic, 245
Cathartics, clinical pharmacology and use of, 11
Ceftriaxone, for fulminant herpes hepatitis, 386
Central nervous system function, treatment for (editorial), 189
Chagas' disease, esophageal manometric and radiologic findings in, 245
Chemoembolization, transcatheter arterial, for hepatocellular carcinoma with cirrhosis, 334
Chemotherapeutic infusion, for hepatocellular carcinoma with cirrhosis, 334
Chest pain, noncardiac, ambulatory 24-hour esophageal pH monitoring and symptom improvement in, 36
Children, *Helicobacter pylori* gastritis in, 238
Cholangiocarcinoma, peripheral, long-term survival of young woman with, 64
Cholecystocutaneous fistula, spontaneous, in gluteal region, 276
Choledochoduodenal fistula, double papillary orifice as (brief report), 356
Cholestatic jaundice, with primary amyloidosis, 162
Cirrhosis
elevated CA125 in, 159
factors predicting progression of transfusion-associated hepatitis C virus to, 148
hepatocellular carcinoma with, 334
Clarithromycin, in *Helicobacter pylori* eradication, 348
Cocaine packet ingestion (letter), 181
Colitis
strongyloidiasis, 77
ulcerative
with dysplasia-adenoma-carcinoma in Bloom's syndrome, 380
pancreatitis in, 74
Colon
cancer of, flexible sigmoidoscopy for, 110
carcinoma in villous adenoma of ascending, 377
carcinoma of, associated with sarcoid reaction in regional lymph nodes, 377
metaplasia of, histologic mucin study for, 372
Colonoscopy
appendicitis after (brief report), 255
isolated transverse mesocolon laceration during (brief report), 46
small polyp at, 19
Colorectal cancer
lymph node metastasis and inferior mesenteric artery ligation level in: author reply (letter), 180
lymph node metastasis and inferior mesenteric artery ligation level in (letter), 179
mucosal, serum p53 antibodies in (brief report), 153
Colorectal polyps, at flexible sigmoidoscopy, 19
Combination therapy, serum hepatitis C virus RNA changes with, 313
Common bile duct
obstruction of with autoimmune pancreatitis, 364
stones in, endoscopic and surgical approach to, 198
Computed tomography
for leiomyosarcoma of greater omentum, 167
for lymph node metastatic gastric cancer, 140
Computer endoscopy report, 217
Congenital cysts, bile duct, acute pancreatitis in, 70
Constipation
increased fluid intake for, 29
laxatives and lavage solutions for, 11
Coronary artery disease, pancreatic carcinoma and, 271
Cost containment, gastroenterology and, 117
Crohn's disease, long-term cyclosporine for (brief report), 254
Cryptococcosis, disseminated, hepatobiliary dysfunction in, 273

Cyclophosphamide, for hepatic sarcoidosis, 61
Cyclosporine, for resistant Crohn's disease (brief report), 254
Cystic artery, duodenal ulceration into, 171

Database, endoscopic, 217
Diaphragmatic hernia, complications of, 81

Gastroesophageal junction cancer, ethnic variations in occurrence of, 135
Gastroesophageal reflux disease
  ambulatory 24-hour esophageal pH monitoring and symptom improvement in, 36
  ethnic variations in occurrence of, 135
  gastroesophageal flap valve and (editorial), 194
Gastrointestinal bleeding
  with autoimmune pancreatitis, 364
  with blue rubber bleb nevus syndrome, 262
  in fibrosing mediastinitis, 268
Gastroparesis, intravenous erythromycin for, 131
Genotypes, hepatitis C virus, coexistence of, 23
Glucose-6-phosphate dehydrogenase deficiency, with Dubin-Johnson syndrome, 383
Gluteal region, spontaneous cholecystocutaneous fistula presenting in, 276
Granulomatous hepatitis, due to mebendazole (brief report), 44
Gunshot wound, severe jaundice with, 383

Healthcare personnel, hepatitis B vaccination in, 317
Healthcare system
  endoscopy by paramedical personnel in (editorial), 95
  gastroenterology in, 117
Helicobacter pylori
  duodenal stenosis and (letter), 83
  eradication of
    gastric cancer and (letter), 178
    reappearance after, 241, 345
    three treatment regimens for in India, 348
  ethnic variations in occurrence of, 135

Helicobacter pylori gastritis, diagnosis of in children, 238
HELLP syndrome, spontaneous intrahepatic hemorrhage and hepatic rupture in, 323
Hemodialysis, hepatitis C virus and, 23
Hemolytic anemia
with alpha-interferon treatment in chronic hepatitis C (brief report), 358
chronic hepatitis C treatment and (editorial), 289
Hemorrhage, with duodenal ulceration into cystic artery, 171
Hepatectomy, Tc-galactosyl human serum albumin scintigraphy in, 329
Hepatic arteries, transcatheter arterial chemoembolization through, 334
Hepatic functional reserve, estimating, 329
Hepatic rupture, in HELLP syndrome, 323
Hepatitis
atrium- and paroxetine-related, 52
drug treatment for, 249
fulminant herpes, 386
granulomatous, due to mebendazole (brief report), 44
viral, ursodeoxycholic acid effects in, 249
Hepatitis A, relapsing (brief report), 355
Hepatitis B
ursodeoxycholic acid effects in, 249
vaccination for in hospital personnel and medical students, 317
Hepatitis C
hemolytic anemia and treatment of (editorial), 289
hemolytic anemia secondary to alpha-interferon treatment for (brief report), 358
response to twice-a-day interferon-β and -α therapy for, 49
seroconversion and genotype prevalence in hemodialysis patients and staff, 23
serum RNA changes in with interferon plus ribavirin, 313
transfusion-associated, factors predicting progression to cirrhosis and hepatocellular carcinoma, 148
Hepatobiliary dysfunction, in disseminated cryptococcosis, 273
Hepatocellular carcinoma
with cirrhosis, transcatheter arterial chemoembolization for, 334
factors predicting progression of transfusion-associated hepatitis C virus to, 148
Hepatotoxicity, of atrium and paroxetine, 52
Hernia
Morgagni, in elderly, 81
paraesophageal, prolonged dysphagia after repair of, 224
sliding hiatal, pressure-overload-induced in power athletes, 352
Herpes hepatitis, fulminant, 386
Heterotopic pancreas, diagnosis of, 144
Histologic mucin study, for familial adenomatous polyposis, 372
Hospital staff
hepatitis B vaccination in, 317
hepatitis C virus seroconversion and genotype prevalence in, 23
HSV DNA detection, for fulminant herpes hepatitis, 386
Hyperbilirubinemia, with coexistent Dubin-Johnson syndrome and glucose-6-phosphate dehydrogenase deficiency, 383
Hypolactasia, lactose intolerance and, 208

Iatrogenic injury, esophageal, 298
Ileostomy cancer, histologic mucin study for, 372
Immunohistochemical analysis, of gallbladder carcinoma with lymphoid stroma (brief report), 256
India, *Helicobacter pylori* eradication treatments in, 348
Infection, endoscopy-related, 291
Inflammatory bowel disease, allergic reactions to 6-mercaptopurine for, 341
Interferon-α
hemolytic anemia secondary to (brief report), 358
response to in acute hepatitis C, 49
Interferon-β, response to in acute hepatitis C, 49
Interferon, serum hepatitis C virus RNA changes with, 313
Intestinal pseudo-obstruction, chronic
eosinophilic enterocolitis and visceral neuropathy with, 368
nutritional management of, 306
Intestinal strangulation, spontaneous jejunoileal fistula with (letter), 280
Intraabdominal pressure, in sliding hiatal hernia, 352
Intrahepatic hemorrhage, in HELLP syndrome, 323
Irritable bowel syndrome, lactose intolerance and, 208
Isoniazid, nonalcoholic steatohepatitis and (letter), 180

Jaundice
cholestatic, with primary amyloidosis, 162
in gunshot casualty, 383
obstructive, with mycosis fungoides, 56
Jejunoileal fistula, with intestinal strangulation (letter), 280

Lactose intolerance, diagnosis and treatment of, 208
Laparoscopic surgery, for achalasia, 202
Laparotomy
explorative, for severe jaundice, 383
for hepatic cirrhosis, 159
Lavage solutions, clinical pharmacology and use of, 11
Laxatives, clinical pharmacology and use of, 11
Leiomyosarcoma, of greater omentum, 167
Letters to editor, 83, 178, 278
Liver
metastasis to, small sigmoid colon cancer with (letter), 278
neoplasms of, transcatheter arterial chemoembolization for, 334
sarcoidosis of, renal carcinoma and, 61
transcatheter arterial chemoembolization for cancer of, 334
ultrastructure of, 162
Long-term survival
of achalasia treatment, 125
with peripheral cholangiocarcinoma, 64
Luminal nutrient digestion, pancreatic enzymes in, 3
Lymph node metastasis
in gastric cancer prognosis, 140
mesenteric artery ligation and: author reply (letter), 180
mesenteric artery ligation and (letter), 179
Lymph nodes, sarcoid reaction in with colon carcinoma, 377
Lymphocyte gene rearrangements, with mycosis fungoides, 56
Lymphoid stroma, gallbladder carcinoma with (brief report), 256

Macrolide antibiotics, for severe gastroparesis, 131
Managed care
consolidation of, 117
gastroenterology in, 117
Manometry, for Chagas' disease, 245
Mebendazole, granulomatous hepatitis due to (brief report), 44
Medical students, hepatitis B vaccination in, 317
Megaesophagus, in Chagas' disease, 245
6-Mercaptopurine, allergic reactions to, 341
Mesenteric artery ligation
lymph node metastasis and: author reply (letter), 180
lymph node metastasis and (letter), 179
Mesocolon, isolated transverse laceration during routine colonoscopy of (brief report), 46
Microsomes, severe hepatitis and, 52
Minneapolis-St. Paul healthcare system, 117
Monopsony markets, 117
Morgagni hernia, presentations of in elderly, 81
Mucin study, for familial adenomatous polyposis, 372
Mucositis, radiation-induced oral, prevention of, 40
Mycosis fungoides, biliary tract obstruction secondary to, 56
Myocardial infarction, in pancreatic carcinoma, 271
Myotomy
for achalasia, 202
long-term outcome with, 125

Needle stick, hepatitis C after, 49
Neoplasm, acute myocardial infarction in, 271
Nissen fundoplication, prolonged dysphagia after, 224
Nitrates, for achalasia, 202
Nonsteroidal anti-inflammatory drugs, gastric mucosal blood flow and (brief report), 258
Nurse, sigmoidoscopy by, 110
Nutrient digestion, enzyme secretion and, 3
Nutrition, for chronic intestinal pseudo-obstruction, 306

Obstructive jaundice, with mycosis fungoides, 56
Odynophagia, 298
Omentum, greater, leiomyosarcoma of, 167
Omeprazole, in *Helicobacter pylori* eradication, 345, 348
Oral mucositis, radiation-induced, prevention of, 40

P53 antibodies, in mucosal colorectal cancer after endoscopic resection (brief report), 153
Pancreas
cancer of versus autoimmune pancreatitis, 364
carcinoma of, acute myocardial infarction in, 271
heterotopic, diagnosis of, 144
mass of in autoimmune pancreatitis, 364
Pancreatic duct, main, improved stricture of, 74
Pancreatic enzymes, in health and disease, 3
Pancreatin microspheres, for chronic pancreatitis, 3

Pancreatitis
acute, in bile duct cysts, 70
autoimmune, 364
biliary, 97
chronic, pancreatic enzymes in, 3
in ulcerative colitis, 74
Papillary orifice, double (brief report), 356
Paramedical personnel
doing endoscopy (editorial), 95
sigmoidoscopy by, 110
Parasternal hernia, in elderly, 81
Parenteral nutrition, for chronic intestinal pseudo-obstruction, 306
Paroxetine, severe hepatitis and, 52
Peptic pyloroduodenal strictures, endoscopic balloon dilatation of, 33
Peptic ulcer
Helicobacter pylori eradication treatments for in India, 348
perforated, in Alexander the Great (letter), 279
Pericardial effusion, malignant, acute myocardial infarction and, 271
Pericarditis, acute myocardial infarction and, 271
Peritonitis, spontaneous bacterial, caused by *Streptococcus gordonii* (brief report), 45
pH monitoring, ambulatory 24-hour, symptom improvement and, 36
Phlegmonous gastritis, antibiotic treatment of, 175
Pill esophagitis, 298
Pneumatic dilation, long-term outcome with, 125
Polyposis, familial adenomatous, 372
Polyps, colorectal, at flexible sigmoidoscopy, 19
Power athletes, sliding hiatal hernia in, 352
Prednisolone, for hepatic sarcoidosis, 61
Preoperative diagnosis, of heterotopic pancreas, 144
Prognosis, for lymph node metastatic gastric cancer, 140
Psychosomatic medicine, for diffuse esophageal spasm, 228
Pyloroduodenal strictures, endoscopic balloon dilatation of, 33

Quality assurance, for endoscopic disinfection (editorial), 290

Radiation-induced oral mucositis, prevention of, 40
Radiography, for fibrosing mediastinitis, 268
Radiology
for Chagas' disease, 245
for lymph node metastatic gastric cancer, 140
Radiotherapy, preventing oral mucositis with, 40
Ranitidine, in *Helicobacter pylori* eradication, 345
